## **PUBLIC NOTICE**

### **LIFTING OF TEMPORARY BAN** **ON SOD INSTALLATION**

**The sod ban which began on June 30, 2005 is hereby lifted. We ask residents to continue to monitor their outside water usage, and we ask the large production homebuilders to phase the sod installation for their homebuyers, in order to avoid excess water usage and possible shortage.**

**Thank you for your patience and cooperation during this significant area-wide drought.**
